Filing your claim is easy. Please review these important tips.

1. Use this form to file a claim for any eligible medical expense when your physician or other provider does not file a claim. Please print clearly with black ink, completing all required fields.
2. Attach your itemized statement *(or fully legible copy of the bill)* to the back of this form. Keep a copy for your records. Please use a separate claim form for each health care professional and for each family member.
3. See your FBHP/ UMR ID card for:
   - Name of plan, Farm Bureau Health Plans
   - Plan group number
   - Name of member *(as it appears on the ID card)*
4. Patient name and date of birth must match UMR's eligibility file. Example - If your name was Eugene Smith on your enrollment form, claim must state Eugene, not Gene.
5. Name, address and tax ID number of the provider of service is required. If the provider's tax ID number (9-digit number) is not on your copy of the receipt, you can contact their office to obtain it.
6. To be considered a valid claim, (with the exception of gym memberships) your bill should include the following information:
   - Patient name
   - Date of service
   - Description of service (for example, office visit, injection)
   - Diagnosis (type of illness or injury)
   - A charge of each service
   - Name, address and tax ID number of the provider (required field for services rendered in the U.S. or U.S. territories)
7. If your plan covers gym memberships or other services not considered traditional medical expenses, the information needed to file a claim can vary. Date of service and diagnosis may not apply.
8. Balance due statements are not valid claims. See above for information needed to constitute a valid claim.
9. Your submission will be scanned. Staple any attachments to the back of the claim form, not the front. Additionally, please indicate the member number on any attachments, should paperwork be separated from the claim form.
10. Claim address listed on the bottom of the claim form is for member use only; providers should bill to the address on the member ID card. This fax number also supports international faxing.
11. Only prescriptions/drug charges that are allowable under your UMR medical plan should be submitted on this form.
12. Foreign claims: Please complete all the fields including type of service, date of service, country, charges in U.S. dollars (please provide a receipt of payment in U.S. dollars), and the diagnosis code or diagnosis description. If translation is needed to complete the processing of your claim, it may delay processing. Any information that is able to be provided in English will expedite processing.

In lieu of submitting online or via our UMR app, you may submit your claim by one of the following methods.
